Note: Creative New Zealand also supports all genres including classical and contemporary music; orchestral, choral, and band music; opera; jazz and improvised music; sound art; 'world' music; traditional and contemporary Māori and Pacific music.

APRA AMCOS

- Ensures songwriters and composers get paid fairly and efficiently for the use of their works by providing music users with easy ways to play and copy the music they love.

RECORDED MUSIC NZ

- Provides industry representation, advocacy and acts as a collective licensing organisation for recording artists and their labels.

MUSIC HELPS

- Supports projects that use the power of music to help people in need & provides wellbeing & emergency financial support services to kiwi music workers.

INDEPENDENT MUSIC NZ

- Works on behalf of independent NZ labels and artists to advocate, educate, and to celebrate NZ music, both nationally and internationally.

MUSIC MANAGERS FORUM

- Dedicated to helping grow artist manager businesses through education, networking and advocacy for NZ managers and self-managed artists.
